Dear Hiring Manager,

Thank you for the opportunity to apply as a software engineer..

After reviewing your job description, it is clear that i have the qualities you are looking for in a candidate. Given this requirements, I am certain that i have the necessary skills to successfully do the job adeptly and perform above expectations.

I am a quality oriented college student (4.11 GPA, Bsc Computer Science) currently attending Mountain Top University. While working on academic and extracurricular projects, I have developed proven critical-thinking, interpersonal and problem-solving skills, which i hope to leverage on into the IOS developer intern role at your company.

## SKILLS

- Proficiency in html, css, javascript and Java.
- Ability to build mobile applications using java
- Ability to work with APIs
- Vast knowledge about block-chain and decentralized finance

I look forward to elaborating on how my specific skills and abilities will benefit your organization.

Thank you for your consideration, and i look forward to hearing from you soon.

Sincerely,

Adebayo David
